2015 Hunting Season

Thank you for helping us process and distribute 97,000 pounds of venison during our 2014-15 season!

Going back a year, the decision to eliminate the \$15.00 co-pay was a huge gamble for the HSH team as the money was needed to pay you, our processors for your services. Most hunters contributed this voluntary co-pay willingly, but the policy remained a real barrier for encouraging more donations. We are very happy to report that due to the unbelievable support and financial contributions from the PA Dept. of Agriculture, PA Game Commission, a cross-section of many hunting and non-hunting interest, as well as business and industry and hundreds of individual donors, we are proud to announce that the 2014-15 season was a huge success with over 97,000 pounds of venison donated from over 2,400 deer. Our annual goal is 100,000 pounds and we hope to exceed that number this season. Whether you are a veteran HSH deer processor or would like to join this worthwhile cause, this is the year to step up and get involved. Everything you need to get registered is enclosed.

Directors and managers of food banks across the commonwealth continue to reach out to our program for venison donations during hunting season. Because of this continued need, the HSH team will again make every effort to accept the challenge of expanding the program to help feed those in need. However, we know it will succeed ONLY with your participation. As you start the process for this season's registration, we thank you in advance for your interest, your professional processing services and your commitment to the program while helping to feed the hungry.

Legible Deer Donor Receipts are Vital to Our Program! No Co-pay Is Required Again This Year.

As we start the 2015 season, HSH will continue its policy of eliminating the \$15 co-pay collected in the past from hunters donating deer. Once registered with us, your reimbursement will be paid in full at the "agreed to" rate, times the pounds processed. (*Agreed to RATE x pounds processed*) **However, for food safety, tracking and acknowledgement purposes each deer donor is still required to fill out the donor receipt FOR EACH WHOLE DEER DONATED. We ask that you encourage your donors to fully and legibly complete forms.** Your attention to this detail assists us in processing your reimbursement quickly, helps us determine statewide season totals and allows us to thank those who have donated meat. It is very important that we are able to read the receipt in order to acknowledge their donation. When filling out the Processor Reimbursement form carefully and include a deer donor receipt for each deer pertaining to the reimbursement. If you have any questions please feel free to contact HSH at 1-866-474-2141, or your local HSH coordinator. A list of our volunteer coordinators is available on our website www.sharedeer.org/area-coordinators/

Deer Processor Agreements Must be Returned No Later than October 15, 2015

Your agreement form must be received by HSH prior to receiving any reimbursements for deer processing via the HSH program. You can email it to jwp@sharedeer.org, fax (717-232-1544) or send in the mail. When received, you will be contacted and once your agreement is approved you will receive a supply of HSH Donor Receipts, Reimbursement Forms and if requested promotional materials, meat bags etc.

Hunters Sharing the Harvest Convenient 3 Step Process for Registration

Please read carefully as there have been changes made in the forms. We urge you to call [1-866-474-2141](tel:1-866-474-2141) or email jwp@sharedeer.org if you have any questions. Remember - the worst thing you can do is nothing! HSH needs your participation to reach our venison donation goal of 100,000 pounds. We look forward to working with you during this 2015 season

STEP ONE - GET APPROVED!

1. **Fill out and sign the Processor Agreement form** and email it, fax it (717) 232-1544 or mail back ASAP. Deadline is October 15, 2015.
2. **Fill out the Form W-9** Be sure to include with your signed agreement a completed W-9 form we have enclosed. If you are registering for the first time or have made changes in your business name, address and/or Federal Identification Number (either an EIN# or social security number is needed. We don't need both.) Please fill it out completely and include it with your agreement form. Be sure to write the name or business name to whom checks are to be made payable to on the agreement form.
3. **SWIF Form** (State Workers Insurance Fund) If you have employees and pay workers compensation for them, please fill out and return this form with a copy of your insurance certificate. If you are a Sole Proprietor without employees you are not required to carry workers compensation insurance. Just fill out the form, write **"NO EMPLOYEES"** and return to us.
4. **Forms and Receipts** Once approved, you will be sent a supply of Donor Receipts, Reimbursement Forms and Meat Bags. If you think you need extra please let us know.

STEP TWO - GET SIGNED DONOR RECEIPT!

The deer donor receipt is a three-part form filled out by you or the hunter donating the deer, or a portion of the deer. One copy is for the hunter; one copy is sent with the HSH Reimbursement Form for payment; and one copy is kept for your records. **PLEASE NOTE! You will not get reimbursed without a "readable" copy of a donor receipt included for EACH deer processed. These must be sent with your Reimbursement form in order for payment to be made.**

For example: If you are requesting reimbursement for 10 processed deer, be sure there are 10 donor receipts signed by the hunter who donated the deer or meat, and include with the reimbursement form.

IMPORTANT: Information on the donor receipt needs to be complete and able to be read (name, address, email, etc.) These forms are the only method of tracking the meat and our way to follow up with a thank letter and HSH Donor Decal and Deer Weight tape to the hunter for donating the deer!

STEP THREE - GET PAID! (Processor Reimbursement Forms)

This two-part form is the only form that HSH will accept for reimbursement along with deer donor receipts of your donated venison. When completing this form, please fill it out completely and mail to:

Hunters Sharing the Harvest, 6780 Hickory Lane, Harrisburg, PA 17112

Deadline for reimbursement payments for the 2015-2016 season is March 1, 2016.

OTHER INFORMATION: Donor receipts, additional forms, meat bags, promotional banners and materials are available by calling the HSH office at 717-545-1188 or by emailing jwp@sharedeer.org. Regarding our NRA-sponsored meat bags, we suggest using the 2 lb version if serving mostly needy families and smaller local food banks or food assistance operations.

Reminder about the state-required deer processor inspection and registration

If you are familiar with the HSH program and have not already done so, please remember that registration applications required by the PA Dept of Agriculture (PDA) must be completed in order to participate as an HSH deer processor. A copy is enclosed for your convenience. Starting in 2012, deer processors were to be registered and inspected by the PA Dept. of Agriculture. If involved with accepting deer to be donated to a public food bank program this requirement is waived if you already are licensed by the PA Dept. of Agriculture with other retail or wholesale food or meat facility registration programs. This registration application and inspection has been developed specifically for HSH, in partnership with the PA Dept of Agriculture and the HSH board of directors. Working together with the PDA, our intent remains to minimize the inconvenience to our valued processors, make registration as easy as possible, while ensuring uniform food safety criteria and quality control in our future venison donations. Please understand that the integrity of the HSH venison charitable donation program is our highest priority. Our main goal with this staterequired registration will yield long-term positive benefits for you as an HSH Processor, as well as for the individual consumers receiving food assistance. For more information on the inspection and registration requirements, please call us or the PDA Region office listed on your notification or visit www.agriculture.state.pa.us and click on the Regional Office Information link.

Thank you for your help and support as we work toward achieving our mission of delivering wholesome, high protein meat to those in need. Future changes now under consideration will include a new state income tax credit program for HSH butchers and standardization of per-deer processing costs. More information on this will be announced at a later date.

Looking forward to another successful year,

Sincerely,

John Plowman, Executive Director
Hunters Sharing the Harvest

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Hunters Sharing the Harvest Program Venison Donations on Track Despite Lower 2014 Deer Harvest

HARRISBURG, PA – May 15, 2015 – Final reports filed by the 100 or so butchers participating in the Hunters Sharing the Harvest Program (HSH) show the statewide effort to provide high quality protein to needy Pennsylvanians nearly achieved its annual goal, despite a significant drop in the statewide deer harvest. Hunters donated over 2,400 deer last hunting season, resulting in 97,000 pounds of ground venison burger for distribution to food banks and pantries. HSH's yearly goal is to channel 100,000 pounds of venison to the needy through community-based food programs.

Thanks to hunter generosity and certified butcher participation, the 97,000 pounds of donated venison is now providing about 450,000 meals to hungry Pennsylvanians. One hunter-donated deer yields up to 200 meals of ground burger, which is more adaptable for a wide range of uses and recipes than all other cuts. Shelters or needy families themselves can use the ground meat to make everything from meatloaf to spaghetti sauce. Ground venison is a versatile, high-protein, low-fat and nutritious food that is, in many cases, the only red meat available to some struggling families facing food insecurity.

From the forest to the Food Banks... donate your deer to help feed the hungry of Pennsylvania

The near achievement of the 100,000-pound threshold is significant considering the Game Commission's report that the overall 2014 statewide deer harvest was 15 percent below the take in 2013. Commission officials observed that heavy and continual rain across much of the state during the gun season likely resulted in lower hunter turnout. HSH credits the continuing loyalty and growing support among hunters who still enabled the program to nearly reach its annual goal of donated meat from a lower statewide harvest.

HSH, a registered 501c3 non-profit charity, is celebrating its 23rd year in 2014 helping Pennsylvanians in need. An improved financial situation within the program may also have helped to boost the total of donated venison. For many years HSH asked hunters to make a deposit of \$15 toward butchers' processing fee when donating a deer. But generous funding support from the Pennsylvania Game Commission, Departments of Agriculture and Conservation & Natural Resources, Consol Energy, Richard King Mellon Foundation, Wal-Mart, Safari Club's PA Chapters, the Marcellus Shale Coalition and many of its industry member companies, plus over 50 other business and organization sponsors eliminated the need for the hunter deposit, although most hunters contributed the deposit willingly. An updated list of HSH partners and supporters is available on our website, www.sharedeer.org, as well as links to all components of the program.

Ongoing needs for HSH within Pennsylvania include attracting new sponsorship and partner support to further defray processing costs, and continuing to build the network of meat processors, local coordinators and media contacts in underserved counties. Currently, HSH has no meaningful or effective outreach infrastructure in Warren, McKean, Potter, Forest, Venango, Elk, Clarion, Cameron, Jefferson, Clinton, Mifflin, Juniata, Snyder and Northumberland/Montour Counties. HSH would like to feed the hungry families in those areas too. Please help by volunteering or contacting us at 717-545-1188 or jwp@sharedeer.org. Visit www.sharedeer.org.
