

GET INVOLVED

*...and help **Hunters Sharing the Harvest**
feed the hungry in Pennsylvania!*

DONATE

When you donate to HSH you help feed the hungry in PA! Donate a whole deer for processing, and you help feed up to 200 people. Monetary donations can be made through our Buck for the Pot campaign, or through HSH sponsorships and grants. For every \$25 donated 100 meals can be served to the hungry. You can even donate your time—we are always looking for volunteers to spread the word about HSH.

EDUCATE

Did you know there are 1.8 million families in PA in need of food assistance? HSH coordinates the processing and distribution of wholesome venison via a network of approved deer processors and food banks state wide down to local charitable organizations. We are a nationally recognized program and have set the standard nationwide for over 20 years! HSH is a 501c3 charitable organization and your contribution is tax deductible.

PARTICIPATE

With more people in need than before more hunters are needed to donate deer to HSH this year so we can reach our annual goal of processing and distributing 100,000 lbs. of venison to the hungry. To reach this goal Deer Processors are needed state wide; we currently have 17 counties lacking. Volunteer County Coordinators are also needed to help spread the word and educate the community about these needs.
