

WELCOME TO

HUNTERS SHARING THE HARVEST
PENNSYLVANIA'S VENISON DONATION PROGRAM

www.sharedeer.org

There are now 1.8 million families in Pennsylvania in need of food assistance. Many of these families access the resources of local food banks to help put food on the table for themselves and their children. When hunters donate an average-size deer they help us feed up to 200 people. Generous donations of money go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 meals. In the 2016 season, HSH coordinated the delivery of 120,515 pounds of high protein meat to hungry people and more than 1.2 million pounds since 1991.

Since 1991 the Hunter's Sharing the Harvest venison donation program, (HSH) has coordinated the processing and distribution of donated wild game from hunters to hungry people throughout Pennsylvania. This sportsmen-inspired outreach program effectively channels wholesome venison via a network of approved deer processors and food banks down to local charitable organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth, and together with the PA food banks, food pantries and charitable hunger-relief organizations that play a critical role in filling the gaps for families and individuals at risk of hunger; we are able to put food on their tables.

The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. It has developed into the preferred nationally-recognized model many other states have now replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their personal and compassionate decision for helping low-income individuals and families with extra venison. Many wildlife management units in Pennsylvania offer multiple deer tags, longer seasons and special hunting opportunities that result in extra deer being donated to our program.

Based on this unique concept of sharing, the program's success is due to the cooperation of our deer processors, our volunteer county coordinators, our board of directors, state legislators, state and local agencies, in concert with our colleagues from a dedicated outdoor news media. All these components work together with a common mission to maximize the best-utilization of a valuable wildlife resource to help others needing food assistance.

HSH remains the most effective social-service program for hunters and wildlife managers to directly make a difference for those in need. More than 1.8 million Pennsylvanians are classified as living beneath the lowest-income poverty level, and as the recent economic downturn escalates, the need and requests for food assistance continues to grow.

HSH is looking for those who can **educate** on, **donate** to, and **participate** in this statewide program. Donations of deer, monetary donations through our "Buck for the Pot" coupon campaign, or through HSH sponsorships and Grants, and volunteers donating their time are greatly needed to fuel our program. Please help us reach our yearly goal of processing and distributing 100,000 lbs. of venison to feed the hungry in Pennsylvania.

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

Did you know there are now 1.8 million families in Pennsylvania in need of food assistance? Many of these families access the resources of local food banks to help put food on the table for themselves and their children. When you donate an average-size deer, plus a small tax deductible deposit, you help us feed up to 200 people. Your generous donation of money will go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 meals. HSH is helping to feed hungry people with your help. In 2017 HSH coordinated the delivery of 120,515 pounds of venison from 2,947 donated deer that helped to feed those in need. This record amount was reached because people got involved and helped.

Since 1991 the Hunter's Sharing the Harvest venison donation program, (HSH) has coordinated the processing and distribution of donated wild game from hunters to hungry people throughout Pennsylvania. This sportsmen-inspired outreach program effectively channels wholesome venison via a network of approved deer processors and food banks down to local charitable organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth, and together with the PA food banks, food pantries and charitable hunger-relief organizations that play a critical role in filling the gaps for families and individuals at risk of hunger; we are able to put food on their tables. The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. It has developed into the preferred nationally-recognized model many other states have now replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their personal and compassionate decision for helping

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

DON'T WASTE IT! When you donate an average size deer, at no cost to you, we can feed up to 200 hungry people. Statewide Area Coordinators and Meat Processors are ready to assist you to find and distribute processed venison to foodbanks. For information, and a list of coordinators, meat processors and food banks in your area, visit our website at www.sharedeer.org!

Since 1991 the Hunter's Sharing the Harvest venison donation program, (HSH) has coordinated the processing and distribution of donated wild game from hunters and municipal herd reduction sources to hungry people throughout Pennsylvania. An average-sized deer will provide enough highly-nutritious, low-cholesterol meat for 200 meals. This sportsmen-inspired community service outreach effectively channels this wholesome venison product via an integrated network of approved deer processors and food banks down to the most local charitable provider organizations in our urban and rural communities. HSH has evolved as a respected partner with deer management practices throughout the Commonwealth. Based on a unique concept developed by Pennsylvania hunting interests, the program's yearly deer season accomplishments are based on the cooperation of our dedicated volunteer county coordinator base, board of directors, legislators, state and local agencies, in concert with our colleagues from a dedicated outdoor news media. All these components work together with a common mission to maximize the best-utilization of a valuable wildlife resource to help others needing food assistance.

The HSH program is a registered 501c3 non-profit charity, with funding and support primarily derived from a mix of public and private sources. Individual financial donations also come from generous hunters and non-hunters who uphold a strong belief in supporting the outreach effectiveness of their own brand of social service. Coincidentally, it has developed into the preferred nationally-recognized model many other states have now replicated. From its inception, HSH was founded as the signature mechanism for Pennsylvania hunters to demonstrate their own personal and compassionate decision for helping those low-income individuals and families with extra venison. Many wildlife management units in Pennsylvania offer multiple deer tags, longer seasons and special hunting opportunities that result in extra deer being donated by sportsmen and women.

HSH remains the most effective social-service program conduit for hunters and wildlife managers to directly make a difference, often form actions that take place in the fields and forest. Now more than 1.8 million Pennsylvanians are classified as living beneath the lowest income poverty level and are food insecure. Requests for additional food assistance from food banks and charitable outreach programs has increased. In an average hunting season, the HSH program's goal is to channel 100,000 pounds of processed venison annually through the states 21 regional food banks; we then redistribute it to more than 5,000 local provider charities such as food pantries, missions, homeless shelters, Salvation Army facilities and churches, as well as to families in need.

Thank you for your help, understanding and support as we work toward achieving our mission of delivering wholesome, high protein meat to those in need.

HUNTERS SHARING THE HARVEST OPPORTUNITIES FOR RECOGNITION

It's a fact! Did you know there are now 1.8 million families in Pennsylvania in need of food assistance? This number represents a 50% increase over just the last three years. Many of these families access the resources of local food banks to help put food on the table for themselves and their children. Since 1991, Pennsylvania's HSH program has coordinated the processing and distribution of donated venison from hunters through an accountable and integrated network of approved deer processors and food banks, down to the most local provider organizations in our urban and rural communities. In 2017, HSH coordinated a record 120,515 pounds of high protein meat to hungry people.

How it Works: Our charity benefits from the 900,000 hunting licenses purchased each year and average harvest of approx. 300,000 deer seasonally, with not all hunters needing the meat from their successful trips afield. HSH provides the network of collection and distribution of that donated meat. The program begins when the hunter delivers their deer to any of the PA Dept. of Agriculture-inspected butchers across the state and gets a donor receipt from the butcher who is paid in full for total pounds processed at an agreed-to rate. In the past a \$15.00 co-pay was requested to help offset processing costs. That co-pay is no longer required thanks to the continued support of PA. Dept of Agriculture, PA Game Commission, sportsmen's organizations, corporate sponsorships and individual contributions. The butcher shop grinds, bag and store all of the venison as ground meat for distribution to the food banks. That's it. Simple. HSH venison is of the highest-quality, low fat, and 100% natural food source and is in great demand by food distribution centers across the commonwealth. All processed meat is distributed via the state's 21 regional food banks (www.hungerfreepa.org & feedingpa.org) which then channels it to more than 5,000 local providers such as food pantries, missions, homeless shelters and churches.

How You Can Help: In a typical year, about 2,500 deer are donated. Like many non-profits, the program encounters greater funding challenges each season, most recently with contributions not keeping pace with the increased needs of the food banks. This is why your request to participate is so greatly appreciated. As long as financial support continues the \$15 co-pay is not needed. HSH needs to maintain funding for deer processing and your sponsorship gift will help insure our processors are paid in full now and in the future. In addition, a major sponsorship gift at the corporate level would clearly recognize your business as one that cares about the land, the outdoors and about the quality of life in our communities across Pennsylvania.

To Support the HSH Program: Visit the donation page on our website at www.sharedeer.org/support; eMail our HSH office at info@sharedeer.org or jwp@sharedeer.org; or call HSH toll free at 1-866-474-2141 or 717-545-1188.

All contributions are greatly appreciated.

Please review the many opportunities for recognition listed below that will allow you to be part of the HSH program.

CORPORATE/FOUNDATION

\$10,000 and over
Corporate/Foundation Platinum Sponsor

\$5,000 to \$9,999
Corporate/Foundation Gold Partner

\$2,500 to \$4,999
Corporate/Foundation Silver Supporter

Sponsorships can be suggested for a specific need within the program, e.g.: administrative, promotion, processing, donor deposit elimination.

INDIVIDUAL, CLUB & BUSINESS

\$1000 to \$2499
HSH Sponsor

\$500 to \$999
HSH Partners

\$251 to \$499
Friends of HSH

\$25 to \$250
Buck for the Pot Contributions

Your generous donation of money will go directly to the costs of processing and storing the meat. Every \$25 donated helps us to process meat for 100 meals.

Memorial Contributions

When donating simply specify who your gift is in memory of or on behalf of.

As a Sponsor/Contributor:

- Your company name (logo) and link on HSH website with 150,000 unique visits each year
- Your company name (logo) can be printed on the deer donor receipt
- Paid/Earned Media exposure. HSH has phenomenal media reach with over 1.5 million impressions in statewide news publications and internet news sources. Each venue is spreading the word of the HSH program and its sponsors.
- Sponsor supported Radio/TV Public Service Announcements
- HSH Sponsor Decal - Window Sticker thank you mailing to approximately 2500 donors each season.
- HSH Sponsor Deer Weight Tape with your company name (logo) and given to all deer donors each season.

HUNTERS SHARING THE HARVEST *OPPORTUNITIES FOR RECOGNITION*

We would welcome the opportunity to discuss these opportunities further, as well as asking you to alert your employees, members and/or customers and vendors about our program and asking them to consider contributing as well. HSH is a unique yet uncomplicated program connecting hunters who have extra deer to share to food banks serving hungry Pennsylvanians that need the help. It's just that simple!

HSH is a registered 501(c)3 charitable organization and your donation is fully tax deductible. Our program management is highly-efficient with only 19% allocated towards administrative and non-processing expenses. Staff consists of one full time Executive Director and a part time administrator. Our Board of Directors, our volunteer coordinators and some of our processors donate their time and talents that help to make the program a success. The lists can be found on our website www.sharedeer.org

Re: Hunters Sharing the Harvest Program Update
From: John Plowman, Executive Director

2017-2018 Deer Season

Thanks to your help and hunter generosity, our certified deer processors produced an all-time record of 120,515 pounds of venison last season! Please help to keep up the exceptional work and get the word out that donating a deer to HSH helps feed the hungry!

Effective again for this season

- 1 There is no longer a co-pay required for a hunter to donate a deer to the HSH program. Donate at no cost to them.
- 2 HSH deer processors are asked to be state inspected and are paid in full at the agreed-to rate
- 3 Food banks will take every pound of venison we can distribute to them. They are desperate for red meat
- 4 2017 is our 26th year with the most donated deer to date. Help us have another record season!
- 5 All readable season deer donor receipts from last season returned from our processors will again be entered in the Cabela Outfitters Gift Card drawing valued at \$100 each to be held in 2017 at the end of the season.

Season-end reports filed by participating butchers far exceeded our annual goal of 100,000. Hunters donated 2,947 deer last season, resulting in 120,515 pounds of ground venison for distribution to food banks and pantries. The HSH program team has again accepted the challenge to expand our outreach to all 67 counties in the Commonwealth. It is our belief that the elimination of the \$15 co-pay in 2014 has provided the additional incentive for hunters to donate their extra deer into the system. Those extra donations will keep our current deer processors busy throughout the season.

We need your help to find *more* processors who want to participate in the HSH program.

AS A COUNTY COORDINATOR FOR THE HSH PROGRAM YOU ARE THE VOICE OF HSH in your local communities. We ask that you spread the word about how and where to donate a deer, to actively work at coordinating the distribution of bagged and processed venison to the food banks and soup kitchens in your area, and by seeking out and signing up as many additional deer/meat processors as possible for the 2017-2018 season. Butler Co Coordinator and HSH Director, Tom Rossman, is our State Coordinator. This position, once held by Ken Brandt, founder of HSH, works directly with our area coordinators to assist them with community outreach such as press releases, fundraising opportunities and overall program brainstorming sessions. You can reach Tom at 724-283-0449 or email him at tomr2041@zoominternet.net.

An updated list of Deer Processors can be found on the website (<http://www.sharedeer.org/meat-processors/>)

Processors listed here have been contacted and are currently being signed up for the season. If they are new to you or you haven't visited them since last season, please stop by and introduce yourself, leave a card and offer your assistance.

sharedeer.org

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

6780 Hickory Lane
Harrisburg, PA 17112
1-866-HSH-2141

There are a number of informational tools on the website RESOURCES page that can be printed and used as handouts for community events. Go to <http://www.sharedeer.org/resources/> and to the right are all the links with updated information.

Ask the butcher to display our handouts and program information especially the new flyer of **HOW TO DONATE A DEER**. It was a huge success last season and can easily be enlarged and hung in our processors shops as posters. If you need additional copies for handouts, go to your local print shop to make copies. Send the invoice to HSH with a copy of the printed pieces and we will reimburse you for the printing.

2017 Deer Processor Agreement Form

These are revised from last year. We can't stress the importance of this form since it must be completed, signed and returned to us BEFORE any processor receives reimbursement for HSH processed venison. **Please read carefully as there have been changes made to the forms.** Detailed instructions are included in the letter. Once the agreement is approved, HSH sends out the necessary supplies for the program. Additional meat bags can be order from the website found on the RESOURCES link noted above.

Supplies include **HSH Meat Bags** - available in 1 lb. 2 lbs. and 5 lbs. sizes. If requested, we will provide them for our participating processors at no charge due to the generous sponsorship by **The PA Friends of the NRA**.

Butcher Shop Banners, HSH Orange Tee shirts and Green Coordinator polo shirts are available - Please contact us and let us know your size and what is needed to help you secure new processors in your area. We still offer large HSH Orange Banners that should be given to *new* participating processors.

Registration and Inspections for Deer Processors

Since 2012, otherwise unregistered deer processors need to be inspected by the PA Dept. of **Agriculture only if involved with accepting deer to be donated to public food banks**. This requirement is waived if the deer processor is currently licensed by the PA Dept. of Agriculture for other retail or wholesale food or meat facility registrations. The registration is only \$35.00 and payable to the PA Dept. of Agriculture, **NOT** Hunters Sharing the Harvest.

Because of our partnership with PA Dept. of Agriculture and the integrity of our program, this new scaled-down inspection requirement was developed specifically for HSH, for the convenience of our processors. By working with the PDA, our intent is to minimize the inconvenience to our valued processors, make registrations as easy as possible while ensuring uniform food safety criteria and quality control in our future venison donations. Please spread the word that the integrity of the HSH venison charitable donation program is our highest priority. Our goal with this state-required change will yield long term positive benefits for the participating processor, as well as for the individual consumers receiving food assistance. We ask that you and the processors contact the PDA regional office listed on the PDA Processors Application letter www.EatSafePA.com – click on PROGRAMS, scroll to bottom; click WHOLESALE FOOD

PROCESSING, MANUFACTURING AND DISTRIBUTION; go to FORMS and click on the link for DEER PROCESSORS – HSH APPLICATION or to the HSH website link http://www.sharedeer.org/wp-content/uploads/2012/10/HSH_MeatProcessKit_20161.pdf

The HSH website is your RESOURCE for all things Hunters Sharing the Harvest. www.sharedeer.org

Everything you need to know about the HSH program can be found here. It's easy to navigate with interactive features including maps that show the location and contact information for processors, coordinators and food banks participating with our program. It is our hope that it will serve as your central **RESOURCE** when requesting materials, downloading forms for deer processors registration, as well as for HSH handouts and donation information.

News and event listings will also be updated regularly on the website's home page. Please send us news items and events from your area by email to us. We need to tell others about the success of the season.

Deer Weight Tape

Deer donors will receive a thank you letter and the collectible window decal from Bass Pro Shops, plus the recent version of the S.P.O.R.T. weather-proof deer weight estimating tape. This is an excellent tool to have afield for any hunter when trying to report their deer. It is available while supplies last thanks to the partnership with Cabela's Outfitters, the Marcellus Shale Coalition and the PA Game Commission.

HSH 25th Anniversary

This year HSH celebrates its 25th season and since 1991 have processed and distributed over 1 million pounds of venison. And thanks to your help 109,750 pounds last year alone. Our annual goal is 100,000 lbs. ***Together we can reach that goal again this season!***

Thanks for all your personal time, talent and efforts in promoting HSH in your community and surrounding area. Please check back often to the lists on the website as they are updated frequently. Looking forward to another successful season of helping to feed the hungry of Pennsylvania.

Best Regards,

John Plowman, Executive Director

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

2017 SEASON PARTICIPATING PROCESSOR AGREEMENT

Please check and complete all that apply and return ASAP. **Highlighted areas are IMPORTANT!:**

_____ **I/we are inspected or licensed. If yes, please attach a copy of certificates.**

_____ **I/we have made no changes since last year and agree to be registered using those forms for this season.**

As of 2012 HSH participating deer processors handling venison for public food assistance charities must be inspected and certified with a specific deer processor registration. **Note: This requirement is waived if your business is already registered by another county health department or the state Agricultural Licensing Departments.** (Examples include Retail Food Facility registration; Meat or Food Establishment registration; Wholesale registration; Eating & Drinking Establishment License, etc.) We want to thank our dedicated processors in advance for their patience and cooperation while we work to bring uniform food safety criteria and quality control to all of our venison donations.

For information on the necessary inspection and registration program specific to HSH, please contact the PA Dept. of Agriculture Bureau of Food Safety @ 717-787-4315/www.EatSafePA.com or the HSH office at the toll free number listed above.

_____ **I/we do have adequate cold storage facilities.** See the Self Inspection Checklist for further details.

_____ **I/we agree to have each hunter who donates a whole deer fill out a Deer Donor receipt to be completed for EACH donated deer and provide them with a copy of the receipt.**

THIS FORM MUST BE LEGIBLE AS WE NEED TO TRACK THE LOCATION OF THE DEER FOR FOOD SAFETY.

If processing is for a DMAP Deer, PA Game Commission, Mistake-Killed deer or other categories, please check the box on the receipt so HSH can process accordingly.

Our rate will be \$ _____ to process a whole deer into 1 lb., 2 lb. or 5 lb. packages of ground meat.

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

6780 Hickory Lane
Harrisburg, PA 17112
1-866-HSH-2141

To: HSH Processors

PA Workers Compensation Insurance Compliance Form (SWIF)

Dear Processor:

Please fill out and mail back with copy of insurance certificate if needed, to the address above as quickly as possible. Business name should be the same as on form W-9. Thank you for helping HSH be in compliance.

Statement:

As a participating HSH Processor I hereby state that I am not an employee of Hunters Sharing the Harvest charitable venison donation program, but a subcontractor (sole proprietor) who has signed a valid agreement with HSH for donated deer meat processed and distributed to area Food Banks. I work my own schedule, supply my own tools and work in my own facility inspected and registered by the PA Dept of Agriculture Bureau of Food Safety. In addition I am fully responsible for decisions on how best to complete the task for my customers, the hunters donating deer to the HSH program.

Name _____

Business Name _____

Address _____

City _____ State _____ Zip Code _____

Phone _____ Fax _____

Email _____

Please check one: I am

Sole Proprietor w/o employees. No certificate required.

Sole Proprietor with employees. Enclosed is PA Workers Compensation Insurance Certificate.

Definitions of Sole Proprietor from SWIF website

What If I Use Subcontractors?

Pennsylvania Workers' Compensation Act Section 302 (a) & (b) provides that a contractor is responsible for the payment of compensation benefits to employees of uninsured subcontractors. Contractors shall not subcontract all or any part of contract unless the subcontractors used have presented proof of insurance. Consequently, all contractors should keep workers' compensation certificates of insurance on file to prove coverage.

What If the Subcontractor is a Sole Proprietor?

Sole Proprietors with no employees are not required to carry workers' compensation insurance. However, detailed information must be provided to SWIF to prove that the individual is a true independent contractor. If SWIF determines that the sole proprietor is your employee, you will be charged for his/her payroll as per the appropriate classes on your policy. It is your responsibility to provide SWIF with all appropriate documentation to resolve their employment status. Currently workers compensation coverage for sole proprietor(s) is available through the State Workers' Insurance Fund.

Pennsylvania Department of Agriculture
Bureau of Food Safety and Laboratory Services
717-787-4315 • www.EatSafePA.com

Dear Owner of a Deer Processing Establishment,

As a participant in the Hunters for Sharing the Harvest program your deer processing establishment must be compliant with federal and/or state laws. Enclosed are the necessary forms and applications for obtaining a Registration from the Pennsylvania Department of Agriculture under the Food Safety Act of 2010 (3 C.S. §§5721 – 5737) as a custom **deer processor**. This registration application and inspection requirements has been specifically developed in partnership with and in consultation with the Hunters Sharing The Harvest Program's deer processor/directors Rick Fetrow, Kip Padgelek and Lorne Peters. Our goal is to minimize any inconvenience and make registration easy, while ensuring uniform food safety criteria and quality control in the future. Please note the integrity of the HSH venison charity is a foremost concern, and this change is a state requirement that will yield long-term positive benefits for you as a processor, as well as for the ultimate consumers receiving food assistance.

If your processing establishment is approved and inspected by USDA, US Department of Agriculture, and those same processing facilities are used for custom deer processing, you do not need Registered with the PA Department of Agriculture (PDA). Only facilities not inspected by USDA and who are providing custom deer processing services require registration and inspection by PDA. If any additional retail food store or food processing operation exists at this same establishment, please contact the Department to discuss proper licensing.

The enclosed material must be fully completed and returned to the appropriate Regional Office as listed below. Please note failure to provide all required information could delay your application approval. The Department of Agriculture, Regional Food Sanitarian and/or Supervisor, will review the application and contact you to if further information or clarification is needed, or if approved to schedule a registration inspection prior to your opening for operation. If your application is disapproved, you will receive a written letter stating the reasons for the application disapproval. Applications can be resubmitted at any time. Please allow 3 – 4 weeks for processing.

DO NOT SEND MONEY WITH THIS APPLICATION. Registration fees will be collected at the time of the Inspection. NO CASH accepted, checks or money orders only, payable to Commonwealth of PA. Initial registrations and annual renewals are \$35.00

Sincerely,
The Bureau of Food Safety & Laboratory Services Staff

- The Food Establishment trash collector is _____ (company name)
- List any other refuse or waste collection companies that you use _____
(ex: grease collection, food scraps, meat rendering, or similar)

OPERATIONAL INFORMATION

Which **months** of the year do you plan on processing? _____

List which **days of the week and times** of day you will most likely be processing? _____

FLOOR PLANS for NEW DEER PROCESSORS

Although NOT required by Law, New Food Establishments that would like the Department to review and provide comments on plans for their establishment to assure compliance with Codes may voluntarily submit a blue print – or simple hand-draw sketch – of the proposed food processing establishment layout and a listing of proposed equipment. Simply attach your plans to this application.

HEALTH POLICY

As a food establishment providing a food processing services to the public, it is your responsibility to assure that you and any food workers are in good health and not ill with any illness that could be transmitted in food. Please have a plan in place to deal with times when you may not be feeling well, but have processing jobs to do. An employee health policy establishes how to handle ill food workers, including you, during processing times.

ALL APPLICANTS COMPLETE

This application should be **submitted to your local Regional Office**, as listed on the cover letter.

The Applicant understands and agrees that this document is an application for the **Registration of a deer processing establishment only**. The applicant understands and agrees that only a “proprietor” of this operation may obtain the registration; and that a “proprietor” may be a person, partnership, association or corporation operating the food establishment within the Commonwealth of Pennsylvania. The applicant verifies that the person or entity listed below is the “proprietor” of the food establishment that is the subject of this application. By signature on this application the proprietor confirms that the business is operating a deer processing establishment that has been approved by the local municipality with regards to any water, sewer, zoning or building codes requirements. Additionally, any other local, state, or federal rules and regulations that may be applicable are in compliance.

The applicant verifies that all statements and information in this application are true and correct to the best of the applicant’s knowledge, information and belief; and makes these statements subject to the penalties of 18 Pa.C.S.A. § 4904, relating to unsworn falsification to authorities.

Please complete and sign the below ownership category that best describes your business:

HUNTERS SHARING THE HARVEST

PENNSYLVANIA'S VENISON DONATION PROGRAM

Self Inspection Checklist for Hunters Sharing the Harvest Deer Processors

Personal Hygiene

- There is a strict personal hygiene policy in place.
- Outer clothing worn while processing will be neat and free from any contamination. Dirty clothing, aprons, uniforms and similar are removed or replaced when they become overly soiled and could be a source of contamination of the meat.
- A handwashing sink with hot and cold running water, soap and paper towels is conveniently located in the processing area, is accessible at all times and used frequently.
- Hair restraint is worn by all persons accessing the processing area when processing is occurring.
- Disposable gloves are properly used when possible for processing.
- Hands are frequently washed throughout the day or anytime when they may have become contaminated.
- There is no smoking, eating or drinking in the processing or storage areas. This will only occur in designated areas that will not contaminate food or food contact surfaces.
- No employee or owner will handle or process food when ill with fever, diarrhea, or gastro intestinal illness or if diagnosed with a foodborne illness.
- Any cuts or lesions on the hands or arms will be effectively covered with an impermeable bandage and covered with a properly used glove.

Storage Temperatures

- Refrigerators are all below 41°F
- Freezers are holding all foods in a frozen state (Approximately 0°F)
- A thermometer is in place and functioning in every refrigerator or freezer
- Temperatures are monitored frequently throughout the day
- Temperature log sheets records are maintained and on file for review

Meat Handling

- Meat product is properly processed under sanitary conditions
- All equipment for processing meat including cutting boards, knives, saws, grinders and similar have been properly cleaned and sanitized prior to use.
- Meat product is quickly packaged after processing and immediately stored under refrigeration
- Diseased or damaged meat is not processed or used
- By-product scraps are properly stored and disposed of in a manner not contaminating useable meat

Self Inspection Checklist for Hunters Sharing the Harvest Deer Processors

Continued...

- Meat is protected from chemical hazards such as sanitizers, cleaners and similar
- Meat is protected from physical hazards such as glass, acrylic fingernails, bandages, hair, dirt, unprotected light bulbs and similar
- Meat is protected from biological hazards such as harmful bacteria, viruses, parasites, and fungus that would render the product unsafe for human consumption

Cleaning & Sanitizing

- A cleaning schedule is established for cleaning and sanitizing of all food and non-food contact surfaces
- Cleaning of equipment NOT used in a cold room that is below 41°F is cleaned and sanitized every 4 hours
- Cleaning of equipment stored and used in cold rooms (below 41°F) are cleaned and sanitized every 24 hours
- Cleaners used are approved for food contact surfaces
- All equipment is properly sanitized with an approved sanitizer (Chlorine or Quaternary Ammonia) at safe concentrations
- Test strips for sanitizers are available and used for testing of the sanitizer concentrations
- All chemicals are properly stored, labeled and used

Pest Control

- The establishment is free of pests such as insect and rodents or similar
- Measures are in place to prevent entrance of pests (screens, door sweeps, closed sealed doors)
- Pest monitoring is regularly occurring (such as glue boards or visual inspections)
- If needed, a current pest control service is contracted
- Only a certified pest control operator shall apply any restricted use pesticides to my establishment
- If used, pest control records are available for review
- Use of glue boards or rolls, electrocuters, bug lights, rodent traps and similar are being done in a manner not to contaminate the meat or food contact surfaces

Overall Establishment Maintenance and Operation

- The establishment is maintained in overall sanitary conditions
- Unnecessary equipment or broken equipment is removed from the processing area
- The processing area is maintained in a manner that allows it to be easily cleaned

Please note: This checklist is not intended to be an all inclusive list of items relating to food safety or to replace any regulatory requirements not mentioned herein.
